

Indiana Independent Automobile Dealers Association

IIADA is a non-profit trade association representing automobile dealers in Indiana and is affiliated with the National Independent Automobile Dealers Association (NIADA). We recognize that our industry is constantly changing. Factors such as federal and state legislation and economic conditions will continue to effect our livelihood. This is why it is our primary purpose to address the issues that confront the used car industry with a single voice. Strength through numbers is a fact that has been proven on State and National levels.

Individually, we struggle to be heard.

Collectively, we cannot be ignored!
