IIADA-Legislative Contribution

Donations to the legislative fund help protect your business with a Lobbyist at the Indiana Statehouse and Washington D.C. These donations have helped in the past with things like getting legislation passed which extended the time for delivery of title to 31 days from 21 days and extended temporary tags to 45 days. We need your help to continue our legislative work in protecting your business. Your sponsorship will be recognized by the association as we truly appreciate your support.
